While I was doing this rough draft I was listening to TOMI's songs. I think TOMI is from Slovakia, even though it is R&B, it's not heavy. Even songs like "you can tell me what you want", they sing it so nicely, and it flows so smoothly. The feeling is like, I thought it was cheese, but it turned out to be tofu!! A ow-calorie flavour. However because of the delicate voice, I like it more. I listen to it very often.

Remember, go to specialty stores, not the supermarket!
His nick name at the time was "Marquis*".
(Because he's a sadist)
*Marquis De Sade was a French novelist whose perverse sexual preferences and erotic writings gave rise to the term sadism.
